(2) The sale is subject to the confirmation of the Conservator of Forests. (3) The officer conducting the sale reserves to himself the right of accepting or rejecting any bid without assigning any reason for the same. (4) Every bidder shall deposit Rs. 25 before he is permitted to bid, which, except in the case of the approved bidder, will be returned at the close of the sale. This money plus Rs. 25 which the successful bidder is to deposit as security shall be invested in the Government Savings Bank, as security for due fulfilment of the terms of the contract. (5) The successful bidder shall pay for each consignment of fuel as it is measured. He shall execute a bond mutchalika on a properly stamped paper binding himself to the following conditions, failing which, the coupe or compartment will be re-sold at the risk of the original purchaser, who shall make good any loss which may arise from such re-sale but shall not participate in the profit should there be any.

Conditions.

(1) All the trees except sandalwood, teak, honne, gall-nut, tamarind, jalari and marked out standards, which will not average more than 40 per acre, and seedlings and saplings under 1 foot in girth, shall be cut flush with the ground. (2) If any sandal trees be damaged while felling or carting fuel, the contractor shall pay to Government such amount of damage as may be fixed by the District Forest Officer. (3) Tangadi and kakke shrubs are not included in the present sale, nor are fruit trees, (such as byala) and trees yielding minor forest produce such as tamarind and gall-nuts. If any trees (excepting sandal, gall-nut, tamarind and standards) are indiscriminately hacked by the contractor or by his men, they will be coppiced departmentally, the cost incurred being recoverable from the security deposit of Rs. 50 for every coupe. (4) The felling and removal of the fuel and timber shall be finished by the end of June 1904 and in the event of this not being done, the money already paid shall be forfeited to Government, as also the right of felling and removal of any wood after that date. (5) Licenses shall be issued by the Range Forest Officer on payment of seigniorage on the produce which the contractor desires to collect at the accepted rate per cart-load of 34 cubic feet or per ton of 68 cubic feet. Passports for the removal will be granted by the Forest official on the spot. (6) No timber and fuel shall be cut in or carted from the coupe on any day before sunrise or after sunset. The contractor shall account for the occurrence of any fire within the coupe assigned to him or along the cart-tracks he may use during the fire season (*i. e.*, from 1st January 1904 to 31st May 1904) if there is sufficient ground for the District Forest Officer to think that it has been caused by the contractor's negligence or by that of his employés. (7) Should the contractor's cartmen cut or remove any green fuel in the forest or District Forest outside the coupes mentioned above, they will be liable to prosecution under the Forest Regulation.

Notice dated 9th October 1903.

Notice is hereby given that a sum of Rs. 5-2-6 being the travelling allowance due to Bhimanna ex-Forest-guard, for May, July and August 1901, lies unclaimed in the Forest Range Office at Holalkere, and that if the said individual or his legal heir does not appear and receive the amount from the Forest Range Officer of Holalkere within two months from this date, the amount will be credited to Government.
